Insurance, Covers and Waivers

Insurance Information

Insurance information

All rental cars must have Collision Damage Waiver (CDW) and Theft Protection (TP). Each policy will be either:

- included or
- purchasable from the rental company, or

- provided by another company (e.g. your credit card company).

Collision Damage Waiver (CDW)

If the car's bodywork gets damaged, the most you'll pay towards repairs covered by the Collision Damage Waiver is the damage excess. This cover is only valid if you stick to the terms of the rental agreement. It doesn't cover other parts of the car (e.g. glass, wheels, interior, roof or undercarriage), or charges (e.g. for towing or off-road time), or anything in the car (e.g. child seats, GPS devices or personal belongings).

Theft Cover

If the car is stolen, the most you'll pay towards replacement costs covered by the policy is the theft excess. This cover is only valid if you stick to the terms of the rental agreement.

Third-Party Liability (TPL)

Covers the driver's liability for any injuries and property damage that are included in the policy. It does not cover injuries to the driver or damage to the rental car. This cover is only valid if you stick to the terms of the rental agreement.

Loss or Damage

If the car is stolen, or seriously damaged, or damaged in an incident involving someone else, please contact the rental company and the police immediately. If you can't provide the necessary documents from the police, you'll be liable for the full cost of replacing/repairing the car. If the car gets slightly damaged, and no-one else is involved, please contact the rental company immediately.

The rental company is not liable for the loss of / theft of / damage to any belongings in the car, during or after the rental.

Damage to the car will be charged for by the car hire company after it is dropped off - and will incur a Damage Administration fee on top of the amount deducted from the excess.

Not included in the rental cover (CDW & TP)

Loss of / theft of / damage to: keys, aerials, jack, safety triangles and vests, windscreen wipers, petrol cap, luggage covers, or any other fixed or mobile component of the car.

Included in the rental price

Mileage / Kilometres

Your rental includes unlimited free kilometres.

Changing the length of your rental can affect how many kilometres you can drive for free. It can also affect how much you will pay for each additional kilometre.

Deposits, excess and cover

Deposit / Excess

The car has a theft excess of €1,000.00 including tax.

The rental company will require a security deposit of €1,000.00 when you pick your car up. The deposit will be returned after the rental, as long as all conditions have been met.

The car has a damage excess of €1,000.00 including tax.

Fuel policy

Fuel Policies

Like for like

When you pick your car up, the fuel tank will be full or partly full. You will leave a deposit to cover the cost of the fuel: the counter staff will block this money on your credit card. Just before you return your car, please replace the fuel you've used. If you return your car with less fuel than it had when you picked it up, the car hire company will keep some or all of your deposit to cover the missing fuel. The cost of the missing fuel will be based on the supplier's current price per litre. This may cost you more than you would pay to refill the tank yourself.

Please bring a letter from your credit card company, confirming that you have the right cover for this rental. If you can't supply this proof, the counter staff will insist that you buy the cover at the counter.
