## Eran, this is your digital Gopass card

It is used for identification when crediting and using goX and replaces paper receipts when entering a water park, a ski school, an event or enjoying an experience.

***gopass*** Skipass, hotels,  
and everything in between.

**NAME**

**Eran Herskovitz**

2114524723388

**WARNING! It cannot be used to pass turnstiles!** – When skiing you will need the plastic Gopass chip card.

## Have everything at hand with the Gopass App

The mobile app contains your digital card.

The digital card is always at your disposal in your phone to simply scan the code when paying in individual facilities.

**Gopass application**

Don't forget that digital cards don't serve to pass turnstiles in mountain resorts.
